ETERNAL NEXA

A high-quality 3D architectural rendering of a modern outdoor patio. In the foreground, a swimming pool with blue water and a metal ladder is visible. The patio is paved with large, light-colored rectangular tiles. To the left, there are two lounge chairs with light-colored cushions. In the background, a stone building with large windows and a balcony is visible. A pergola with wooden beams and hanging greenery is situated over a dining table and chairs. The scene is set in a lush, green environment with trees and a clear sky.
